

Year 11 Art and Design Homework- w/c 25 April 2022

Your deadline to submit ALL your coursework is this Friday 29th April.

This is the last week you can work on your portfolio. Do this:

- 1- Consider staying after school to finalise any missing details, print last minute photos etc.
- 2- Check that all your work is inside your books or next to them, inside your pigeon hole, ready to be marked.
- 3- Check that all your work is labelled with the official names, student numbers and unit codes.
- 4- At home, look for ANY other art work in the house, made by you, that could fit in your portfolio themes and could be worth marks.
- 5- Organise transport, a car, if you have a big final piece at home that should be submitted for marking.
- 6- Bring the portfolio to school and hand it to your teacher in person, before 3.15 on Friday 29th April.
