

The University of Exeter will be supporting students, parents/guardians, teachers, and advisors over the coming months through various digital platforms. Join us in supporting students make informed decisions about their future.

- Regular sharing of resources and signposting through social media
- A Facebook Live lecture series
- Live-streamed advice and guidance workshops
- A wide range of video resources via a dedicated YouTube Channel
- A teacher-focused twitter feed
- Online Open Days
- Online subject conferences
- Promotion of cutting-edge research and interactive tools to help develop the knowledge and skills of participants
- Virtual summer schools
- Teacher CPD online conferences
- Parent/Guardian Q&As

WHAT'S HAPPENING LIVE? >>

We will be regularly adding events and activities to Discover University and will keep you updated through our Facebook page (@DiscoverUniExe), but to help you plan out your own personalised programme of live activities, here are some of the highlights to get you started:

LIVE REAL WORLD LECTURE SERIES

Led by experts from the University of Exeter, this lecture series will allow you to find out more about the courses we offer and how they are contributing to real world issues affecting all of us today. We will have 5 themed weeks, each of which will include a programme of lectures for you to watch live online and ask questions directly to our experts. Take a look at the themes below and plan in which ones interest you the most:

- w/c 20th April, Travel Through Technology
- w/c 4th May, Mental Health and Wellbeing
- w/c 18th May, Research to brighten your day
- w/c 1st June, Climate Change – our planet our future
- w/c 15th June, Don't forget Brexit!

LIVING PROSPECTUS WEEK

Every day between 11th – 15th May we will have current students online talking about their experience of studying at university and telling you more about what it's like to study different courses. Each day will be themed to different subjects so keep an eye out for a more detailed timetable through Facebook.

ONLINE OPEN DAYS

Open Days will help you to learn more about the University of Exeter and decide whether this is the right choice for you. Online you will get to see virtual tours of our campuses, view accommodation options, attend subject presentations, meet some lecturers virtually, see videos of our facilities, discover support services and talk to current students. There will be lots of opportunities to join question and answer sessions with staff and students. Our next scheduled online Open Days will be taking place at the end of May. Register your interest now by visiting: exeter.ac.uk/undergraduate/visit

LIVE ADVICE AND GUIDANCE SESSIONS

At **14:00 every Tuesday and Thursday** one of our experienced team members and/or Student Ambassadors will be talking to you about a whole range of topics to include:

- Choosing a course
- Choosing a university
- Degree Apprenticeships
- Student Finance

A Q&A session will follow directly after each session. Log in to Facebook to watch live and ask your questions.

SUBJECT TASTER DAYS

This summer we are delivering our annual subject conferences online and they will take place from 1st to 3rd July. Each day will be focused on a different group of subjects and will give participants the chance to develop their subject knowledge through sample lectures and workshops as well as finding out more about study options. The days will be themed as follows:

- 1st July - Humanities & Social Sciences
- 2nd July - Business, Accounting, Finance & Management
- 3rd July - Science, Technology, Engineering & Maths
