

Isca Academy Uniform 2020

Dear Parents

As the rules regarding social distancing are still in place, we have to manage the purchasing of uniform in a different way this year. Instead of visiting our school shop, we will need you to measure your child and order uniform through one of two ways; direct either through Price and Buckland's online service www.pbuniform-online.co.uk/iscaacademy or through the schools online ordering system, SCOPay, <https://iscaexeter.co.uk/parents/payments/>.

SCOPay is the system we use to collect trip and event payments as well as purchasing school uniform and other items. It is quick and easy to use. Your SCOPay login details are being posted to you. We have also included details of the House your child will be in which will determine the colour on the tie and jumper. **Apollo – Red**, **Minerva – Blue**, **Maia – Green** and **Saturn – Yellow**.

If you order through the SCOPay we will contact you when your order is ready giving an individual collection time, when your purchases may be collected from the school (maintaining social distancing rules). Ideally this will coincide with the Transition Tutor meetings at the end of term.

As with any garment the sizing can differ depending on the cut/make so to help you decide on the best size for your child we have measured all of the items and have given the actual size in the table below. We are able to supply a tape measure so that you are able to measure your child and compare to the table, please see the measuring guide below. Please remember you may wish to allow for growing room. If you would like to be sent a tape measure please email your details to intake2020@iscaexeter.co.uk.

There are some important points to note:

- The school skirts are designed to fit on the **hips**, not the waist, all have adjustable waists to allow for a more snug feeling fit, but it is important to measure across the widest part of the hips.
- The PE tops need to allow for movement during sporting activities, the table shows the best size to purchase based on the selected jumper size.
- Charcoal grey trousers may be purchased from any shop, we do not hold much stock of boys trousers in school as you can often find them at a cheaper price elsewhere.
- The items that must be purchased through the school/ from Price and Buckland are; jumpers, PE tops, ties and skirts, all other items may be purchased at a shop of your choice.

We hope this helps but if you have any queries please do not hesitate to contact us at intake2020@iscaexeter.co.uk.

Yours faithfully

Ali Moxey
Assistant Head

How to measure for school uniform:

Please ensure that the measuring tape remains horizontal at all times.

To measure the chest size; Pass the tape measure under each armpit to measure the chest size as shown in **position 1** in the diagram.

To measure the hip size; Pass the tape measure around the fullest part of the hips as shown in **position 3** in the diagram.

Jumper advertised size	Actual maximum measurements	Recommended PE top size
28	81 cm 32 inches	30
