

ISCA ACADEMY ALUMNI NEWS

WHAT A TERM!

Welcome to our first ever Isca alumni newsletter – and wow, what a term it has been! It has certainly been a different start to the school year, but it has none-the-less been a hugely successful and enjoyable one. Students have been magnificent in adapting to the new school system and as always the teaching and learning has been fantastic.

DofE and Ten Tors haven't been quite the same as usual, but Mr Miller, Mr Adams and Ms Byron haven't let the challenge get the better of them! They have been incredible in continuing to provide the much appreciated time out on the moors. Can you see yourself in our 'Blast from the past' section?

Mrs Vallance has been heroic in adapting the performance platforms and making them virtual – **The Wirtual Winter Whirligig** is due to be live streamed on Thursday 17th December so why not join us on our YouTube channel, and get yourself in the mood for Christmas! (*Channel: Isca Exeter or see link below poster*)

The end of the summer term brought about the end of an era as we said goodbye to Mr Chrisene. An icon of Isca, he has gone on to enjoy the next chapter of his life – and with it his commentating baton will have to be passed on to someone else.

We also said goodbye to Mr King, as he headed off to an exciting new role at West Exe.

There have been a number of babies being born to staff members, Mrs Jordan is currently enjoying her maternity leave having welcomed a beautiful baby girl earlier this year.

Wishing You a Very Merry Christmas & a Happy New Year from all of us at Isca
