Deadline to sign up: 18/02/2021	
IO Contact: Dan Baker - dan.baker@plymouth.ac.uk , Rachael Whyman – rachael.whyman@plymouth.ac.uk	

Project Overview

A one-hour webinar aimed at engaging parents in their child's progression into HE. The evening will encompass a short presentation from NSSW which will provide information regarding the benefits of HE and options available to students. Local employers and student ambassadors will then take part in a round-table discussion led by NSSW, giving their perspectives of the benefits of HE and raising awareness of potential options available to students. NSSW will then present a short student finance talk, and we will finish with an opportunity for parents to ask panellists any questions they may have through the Zoom chat function. At the conclusion of the event, we will invite attendees to complete a short evaluation survey to help us measure the success of the event.

Some of our NSSW staff and student ambassadors from the event will be then be live on the Unibuddy instant messaging service for the following hour to answer follow-up questions.

Detailed schedule:

19:00-19:10: Introduction to NSSW

19:10 – 19:30: Round table discussion with employers & student ambassadors

19:30 – 19:40: Student Finance presentation

19:40–20:00: Question & Answer panel/evaluation survey

20:00 – 21:00: NSSW staff and SAs live on Unibuddy
