

21st June 2021

Dear Parent/Carer,

We do hope your child is looking forward to joining us at Isca Academy in September. As part of our transition offer to support your child, we are delighted to inform you that we have teamed up with Numerise to help our incoming Year 6 students get ready for Secondary School maths. This means, we will be providing **FREE access to Numerise from SPARX, until September.**

What is Numerise?

Numerise is the easy way to build confidence and learn maths online.

- Numerise is a support package created by SPARX to support individual learners in mathematics.
- 40,000 original questions with an explainer video for every one
- Personalised questions to suit every individual learner
- Daily challenges, XP, league tables, badges and goals keep things interesting
- Weekly emails and a unique dashboard make sure you as parents are able to track progress
- Courses from Year 6 through to GCSE
- Powered by Sparx Maths and HegartyMaths – used in 1,800+ secondary schools

Simply sign up online <https://bit.ly/3x5QDCI> using the school code: ISCA100 to get started. Please ensure you use this code for the first time before the end of July or it will expire.

If you have any questions, please email info@numerise.com or MathsTransition@iscaexeter.co.uk

We look forward to welcoming your child to Isca Academy in September.

Kind regards,

Mr Andrew Barratt
Assistant Headteacher - Mathematics
