Dear Parents and carers,

RE: Session 6 for students at Isca

We have now concluded the consultation on session 6, taking feedback from parents, students and staff. The majority in each group have opted to remove this session and we have taken the decision to put this into effect for after half term. Therefore, there will be no compulsory session 6 for any students once they return in November 2022.

Extra-curricular provision will be developed over the year and clubs will be advertised to students and to parents in due course.

I hope you have a lovely weekend and thank you for all your support.

Yours sincerely,
