

Friday 6th January 2023

Dear Parents and Carers,

Reference: Cycle 1 Report 2022

On Thursday 5th January we were really pleased to give Year 11 their mock results. These results and the scholars' reaction to them gave the clearest indication yet of the desire and ambition in this year group to achieve brilliant results in the exams in May and June. We were all incredibly proud of Year 11 and look forward to working with them to realise their potential over the next fourteen school weeks in the lead up to their exams.

We are pleased to provide your child's end of Cycle 1 report. These reports give a clear snapshot of your child's current progress, effort and behaviour in each subject in the lead up to their GCSE exams in May. The reports also gave an update on their attendance and the number of merits they have accrued this academic year. At Isca, we want to celebrate our scholars' successes and have ambition for every single child, so please take time to look at this report and discuss it with your child in advance of next Thursday's Year 11 Parents Evening.

To access the report please follow the guidance provided by [clicking here](#). The report provides clear explanations on what is being reported on by your child's teacher.

Attendance

It is vitally important that your child attends school every day so that they can learn and achieve. We expect all scholars to have as close to 100% attendance as possible. If your child's attendance is below this, please do work with your child's tutor and Head of Year to discuss how we can support you to ensure their attendance at school improves. Each term we reward scholars with excellent attendance as well as those whose attendance is improving.

Punctuality

To find out about your child's attendance and punctuality, [please click here](#).

The staff at Isca Academy would like to thank you for your support in ensuring our ambition for your child's success is realised in the summer exams. We ask you continue with this support in this key period of their school careers. If you have any further questions regarding this report, please do not hesitate to contact your child's tutor.

Yours sincerely,

Joe Bispham
Deputy Headteacher
