

Friday 10th March 2023

Dear parents/carers,

I would like to take this opportunity to thank you for your ongoing support with Year 11 scholars and also to remind you of some key dates moving forwards.

Mock Examinations and Revision booklets

We are rapidly approaching our **final mock examination series** which will take place from **Monday 13th March 2023 – Friday 24th March 2023**. This is a really exciting opportunity for your child to gain further experience in what an examinations series might look and feel like in preparation for the summer. It is vital that they treat these exams like the real thing and prepare in advance of the exams. Their teachers have been working tirelessly to prepare them for this.

To further support your child in the countdown to mock fortnight, our core subject specialists have provided scholars with a '**countdown revision booklet**'. This is a four-week guided revision plan for Maths, English and Science which provides scholars with recommended topics, revision materials and practice questions. It is important scholars complete the weekly practice questions as these will be checked by their classroom teachers instead of normal homework. This revision booklet has replaced homework for core subjects only in the build up to the mock examinations. The deadlines for completion will remain the same which scholars are already familiar with since the start of the academic year. Revision booklets have already been issued to all tutor groups, please ensure your child contacts their tutor as soon as possible if they do not have one. There is also a revision timetable template at the back of the booklet for scholars to design their own bespoke revision plan for all subjects.

Revision guidance and resources – please remember both parents and scholars can access our revision tools via the following link on the Isca website: www.iscaexeter.co.uk/school-life/revision-2/

Prom 2023

I am excited to announce that the confirmed date of this year's prom will be Thursday 6th July 2023. I will be sending a separate letter regarding the details and information regarding ticket purchasing.

Summer Examination series 2023

Please be aware that the current summer exam timetable is still in draft format, available via the following link on our website www.iscaexeter.co.uk/school-life/exams/

Summer exams will take place from 15th May to 28th June. All students are expected to be available for exams up to and including 28th June, in case exam boards reschedule a paper due to disruption. Please ensure that you DO NOT book holidays during this time.

Yours faithfully,

Kat Marment

Head of Year 11
