

Dear Parent or Guardian,

I am writing to thank you for your support of your child's Sparx homework over the last term. We have had a fantastic few weeks:

- We won the Sparx Silver award for Greatest Progress from the autumn term.
- We saw our completion rates rise from around 65% to 89.4%.
- Scholars are feeling much more confident in learning maths independently.

Scholars that complete their Sparx homework each week will achieve on average 1 grade higher in their GCSE.

Due to more scholars completing their homework on time, we are now able to combine the Y7 and 8 and Y9 and 10 deadlines.

The new deadlines are shown below:

| Date & time   | Amount        | Support session                                     |
|---------------|---------------|---|
| Monday 8am    | 50% complete  | Break 1 – Homework help in <b>F64</b> Computer room |
| Tuesday       |               | After school detention                              |
| Wednesday 8am | 100% complete | Break 1 – Homework help in <b>F64</b> Computer room |
| Thursday      |               | After school detention                              |

All students will be made aware of the changes in their maths lessons. If you have any questions, please don't hesitate to contact me at [alovell@iscaexeter.co.uk](mailto:alovell@iscaexeter.co.uk).

Kind regards,

Abigail Lovell  
Lead Practitioner of Mathematics
