Enrichment Week 2023
18th – 20th July

Enrichment Week 2023

Dear Parents/Carers/Scholars,

We are delighted to announce that Enrichment Week 2023 will take place from:

Tuesday 18th – Thursday 20th July.

Sports Day will be on Monday 17th July and Friday 21st July will be a celebration day with a special edition of 'what's on' and an ice cream van stocked with 'cool' prizes and awards for our amazing scholars.

Enrichment week is an exciting and important part of your education as an Isca Scholar as 'enrichment' provides an array of opportunities to further develop key personal skills including; teamwork, communication, leadership and self-confidence while enhancing your capacity for learning.

Enrichment Week still counts towards your attendance percentage for the academic year and is therefore compulsory.

The activities on offer have been designed around feedback from the 'scholar voice' and 'staff voice' to ensure that the week will be fun, exciting and inspiring for all scholars!

There are a range of activities and we have done our best to keep costs as low as possible for families during what we know is a financially challenging time.

If you have any questions or would like to discuss anything in this information pack, please contact: Mr Bass, Assistant Headteacher (Scholar Development) at JBass@iscaexeter.co.uk.

We look forward to sharing the enrichment week highlights with you soon!

Mr J Bass – Assistant Headteacher (Scholar Development)
